334.1 Chair's Welcome

Geoff Lynn welcomed everyone to the meeting with a belated happy New Year, and in particular welcomed Colin Cuthbert and Mina Curran as new members of the Community Council.

334.2 Minutes of Previous Meeting and Matters Arising

The minutes were agreed.

334.2a Beech Wheelchairs (333.6): PCC had publicised the idea and there was now a core group willing to take the matter further.

334.2b UCG (333.8): consultation results had been published.

334.2c Membership vacancies (333.9): See item 334.10.

334.3 Police Report

Sgt Duff introduced himself and presented his Police Report (see appended). The issue of house burglary was raised, with concerns that it was a particular problem in the area. Sgt Duff noted that it was a problem across Edinburgh with a higher than average rate than Scotland, that it was an issue targeted by the Police, and that there had been a reduction in the east of the city. He also advised that most burglaries were opportunistic, with little prior planning, and simple security steps to deter were effective.

ACTION: publish Police Report

334.4 Environmental Report

Sean Watters outlined the Environment Report (see appended). Geoff Pearson confirmed that the three outline designs for the new park would be available for consultation imminently. A problem with a drain cover at Beach Lane was raised and Graham Rowan agreed to take it up with the East Team. A decision on the Brighton Place setts had been taken by Cllrs, an asphalt reconstruction being chosen, with the works expected later in the year.

334.5 Tidal Octopus

Carried over to next meeting.

334.6 Brunstane PAC

The forthcoming Pre-Application Consultation for the housing proposals at Brunstane was discussed, in particular PCCs proposal for an event using the Place Standard Tool. It was agreed to proceed with proposals for such an event and discuss further at the next meeting.

ACTION: develop proposal for Place Standard event(s)

334.7 Youth Event- update

The event in November had gone very well, with around 50 people discussing the findings of the research. A full report would be made available in due course, with further discussion at the March PCC meeting.

ACTION: Publicise report, agenda item for March meeting

334.8 You Decide!

The format for You Decide! Had been changed to one day of voting at Portobello Town Hall on May 14th. Not all the details had been finalised, but it was agreed to publicise the event well in advance to encourage the engagement of both organisations and the public. It was also agreed that it would be useful for projects to have a more standardised description of their funding bids, so it was easier for people to compare and evaluate them.

ACTION: Publicise the You Decide! Event when details available

334.9 Alcohol provision

Carried over to next meeting.

334.10 Membership

CEC had advised on an interim election, and that one could be held if the PCC wished. After discussion it was agreed to leave the matter, given the scheduled elections later in the year. It was also agreed to give further thought as to how the PCC could help to publicise the elections, to encourage the participation of both groups and individuals.

334.11 Consultation Sub-committee

No report.

334.12 BTOB

No update.

334.13 Other reports

- a. Treasurer – the account stood at £3747.94 although there were payments due to clear.
- b. Neighbourhood Partnership – the next full meeting was scheduled for February 24th.
- c. Planning – minor applications reported. The Conservation Character Appraisal was up for review and Planning officers had invited PCC, PAS and PHT to an initial meeting to discuss.
- d. Councillors – Cllr Child noted her change to sending out a weekly e-mail update rather than a written report. Cllr Bridgman noted the budget process and how difficult it had been.

Peter Bradley advised that the High School was planning to consult on the issue of school uniform, and would welcome wider feedback from the community.
